MENTOR- MENTEE SCHEME

The goal of higher education is to develop student, society and ultimately a nation. Education develops morality, makes aware about each persons duties about family, society and ultimately duties about nation. Education helps in career development of student. Every year large number of students from rural areas with different backgrounds admitted in colleges. College environment is very new for them and they find the various difficulties in due course of student life. Probably students fail to recognize goal of educational institute. Student should have skills and knowledge related to work and as a good citizen. Student induction programme come up with student mentoring cell (Mentor-Mentee programme) with following objectives:-

1. To develop healthy relationship between teacher and student.
2. To inoculate human values among the student.
3. To ensure academic and professional performance of student.
4. To increase confidence among rural and backward students.

Student mentoring cell:-

Chairperson	Principal Dr.L.S.Matkar
IOAC Co-ordinator	Prof.A.C.Kale
Faculty Incharge	Dr.V.N.Suroshi Prof.Walhekar N.M. Prof.Anjali Pandule
Members	Dr.V.M.Gangotri Prof.Ghogare Pushpa Prof.Kokate Santosh

Methodology of Mentoring :-

1. It should be discussion oriented and activity based.
2. Discussion should be thought provoking, for understanding students problems.
3. It should not like lecture or teaching method.

4. Counselling of misguided students must be in meeting or discussion.

Following are topics of discussion:-

1. Family expectations and students aspiration.
2. Gratitude towards helping peoples.
3. Peer pressure/team work.
5. Relationship of teacher-student and student-student.
6. Extra-curricular activities
7. Participation in N.S.S and N.C.C

Program Details:-

Students mentoring system available in the institution. The Practice of mentor system was started by recognizing the need of college. Students to have a friend ,counselor and confidante on the campus. The practice is aimed at fostering a better rapport between students and teacher at a personal level. At the beginning of the academic year first year and second year students are divided into groups and one mentor teacher was assigned the responsibility of mentoring one group at the ratio of 1:10. Teacher collects personal information from their groups. Teacher takes care not to touch sensitive issues and does not force any information out of his/her groups.

Teacher conduct meeting of group informally outside class hours. Students are guided regarding their career options. Mentor teacher spend quality time with the mentees by interactions with regard to their personal, financial and academic problems individually and collectively. Mentees were given proper guidance and counseling by the mentors. Mentor teacher can referred professionals for guidance and counseling. Mentors have freedom to invite parents of mentees for discussion about mentees. Both types of students like extraordinary and poor performing students counseling done in this mentoring scheme. Both mentor and mentees have a role to play in success of mentoring. Professional and personal advice provided by mentor in college. A guide student is there in a group of ten students.

Mentees give constructive feedback on writing, teaching and other elements of career design. Record of each meeting kept as record by mentor. This system helps students to understand the challenges and opportunities present in college.

And develop smooth transition to campus life. To counsel academically weak students and play an important role in helping troubled students to cope with academic, extra-academic and personal problems. Ensuring regularity and punctuality of students through counseling sessions. Economically weak students were introduced to earn and learn scheme in the college. Students also guided regarding preparation of various competitive examinations. These are measures taken for promoting the welfare of the mentees, had been recorded in the mentoring books maintained by the mentors.

Following phases included in mentoring system:-

Phase-I – Selection of mentors

Phase-II- Allotment of students to mentors

Phase-III- Interaction of students with mentors and identifying strength and weakness of mentees.

Phase-IV- Formation of What's app group

Phase-V- Periodic meeting of mentees and mentors. Remedial training of learners, training to students to take up higher skills.

Responsibilities of Mentor :-

1. Mentor should keep continuous review on students' progress.
2. Should keep record of all details of mentoring session.
3. Mentor should identify poor learners and interact with them to resolve cause.
4. Observation of attendance of mentee with regards to university rules.
5. Organization of lectures of eminent people.
6. Support student emotionally and academically.
7. Social sensitization activities like visit to village for different surveys, hospital visits, orphanage visits, nature walk.

8. Promote mentee to participate in extracurricular activity.
9. Mentor shall keep the track of overall academic performance of mentee through counseling.

Responsibility Of Mentee :-

1. Attend meeting regularly
2. sharing of correct information in meeting with mentor.
3. Provide details of attendance, continuous assessment, co-curricular and extra-curricular activities to mentor.
4. Use of advice of mentor.
