Subject: Letter of Intent for Collaborative Work and Sponsorship of Batch(es) with MIDC SDC & Eduspark International Private Limited

Dear Sir,

Greetings from Eduspark International Private Limited.

We are pleased to introduce Eduspark International Private Limited, a key implementation partner under the Maharashtra Industrial Development Corporation (MIDC), committed to advancing skill development through our state-of-the-art **Skill Development Centre (SDC)**. Our objective is to address the growing skill gap by delivering training programs that align with evolving industry standards and requirements.

In pursuit of this goal, we are keen to explore a strategic collaboration with Ahemadnagar Jilha Maratha Vidya Prasarak Samaj's Shree Dhokeshwar College, Takli dhokeshwar . The purpose of this partnership is to jointly undertake **skill development initiatives, sponsorship of selected training batches, and facilitation of placements** for students trained at our SDC.

Our programs are designed to equip candidates with industry-relevant skills across high-growth sectors such as **Automotive, IT-ITeS, and Electronics**, ensuring their readiness for immediate deployment into the workforce.

Key Job Roles and Candidate Qualifications

Sector	Job Role	QP Code	Duration	Minimum Qualification
Automotive	Automotive CAD Technician	ASC/Q8201	3 Months	B.E. / B.Tech (Mechanical/Automobile)

Electronics	Electronic Assembly Operator – RAC	ELE/Q3501	3 Months	10th / 12th Pass / Diploma

Proposal for Collaboration

We firmly believe this collaboration will create significant value for your institution and its students. Key highlights of our proposed engagement include:

- **Customized training modules** aligned to institutional and industry-specific requirements
- **Sponsorship of training fees** for selected batches at our MIDC Skill Development Centre
- **Structured placement support**, including on-campus and centralized recruitment drives
- **Internship and apprenticeship programs** for practical exposure and talent assessment
- **Direct hiring opportunities** for skilled and certified students / candidates

We are confident that this collaboration will enable both institutions to contribute meaningfully to the skill development ecosystem while enhancing employment outcomes for students.

We would be honored to meet with you at a time of your convenience to discuss this proposal in detail and explore avenues for implementation.

Thank you for considering this opportunity. We look forward to a positive response.

Warm regards,

Sanjay Parade
